REFERENCE: ACL 99-63, DATED SEPTEMBER 7, 1999, PUBLICATION OF
CALIFORNIA WORK OPPORTUNITY AND RESPONSIBILITY
TO KIDS (CalWORKs) CHILD CARE REGULATIONS

Attached is the Timing Out Questionnaire – Stage One CalWORKs Child Care (TEMP 2187) for July 2001 through December 2003. The county is to complete the questionnaire with actual and projected information on the number of children and families in Stage One child care who have reached or who will reach the end of the 24 month limit of child care services for which former CalWORKs recipients are eligible. The data being collected in this questionnaire is **only** for families and children of former recipients of CalWORKs cash assistance who receive their child care services through Stage One.

Current regulations provide that former CalWORKs recipients shall receive Stage One child care if child care services are not available in Stage Two or Stage Three. However, former recipients cannot remain in Stage One beyond 24 months of eligibility after leaving cash assistance.

The California Department of Social Services must determine the number of children who have or who will “time out” of Stage One child care during each month of the period July 2001 through December 2003. This data must be reported separately by one-parent and two-parent families. Counties will be sent and asked to complete a TEMP 2187 in January and July each year.

PURPOSE: This form is to gather information about children and families currently receiving CalWORKs Stage One Child Care who have or will "time out" (reach the end of their 24-months of child care after leaving cash aid) during each of the months indicated. This data is being collected to estimate the funding necessary to serve former CalWORKs recipients in Stage Three child care after they have exhausted their 24-months of Stage One child care.

INSTRUCTIONS: Complete all cells on the form, including County, Contact Person and their Title/Classification, their E-mail (if applicable), Telephone and Fax numbers, and the Date on which this form was completed. If NO children or families have or will time out, enter zero where appropriate. If necessary, use the Comments section to explain your estimates.

Stage One Dec. 2001 Caseload/TOTAL: Enter the ACTUAL number of children and families no longer receiving CalWORKs cash aid, currently receiving CalWORKs Stage One child care on December 31, 2001, who will be "timing out" from January 2002 - December 2003.

July - December 2001: Enter the ACTUAL number of children and families no longer receiving CalWORKs cash aid that did time out of the Stage One child care caseload during the indicated month.

January 2002 - December 2003: Enter the PROJECTED number of children and families no longer receiving CalWORKs cash aid that were in Stage One child care on December 31, 2001, that will time out during the indicated month. Base this projection on a count of months. DO NOT modify projections for expected attrition.

Reporting Period: **July 2001 through December 2003**
